

BMW Motorweekend on 22 ... 25 april 2011.

Like every year BMW Club Oirschot & Omstreken also in 2011 organizes its International BMW Motor Weekend during the coming Easter Weekend (Friday 22 ... Monday 25 April) for all BMW motorbikers and their passengers.

Because we also celebrate our 40st club anniversary, this edition of our traditional Motor Weekend will be extra special.

Like all 31 previous times we have again composed an interesting program, to which we have added some extras because of our 40st anniversary as BMW club.

Starting on Friday at 15.00 h. reception and subscription, with tea / coffee and cakes.

Program booklet and remembrance tile for all participants.

Historical photo exhibition focusing on our previous International Motor Weekends.

Photo puzzle.

Quiet live-music is scheduled for Friday evening.

On Saturday a cultural visit of some kind, probably a museum or a company visit. But of course, you can also spend this day according to your own plans or following some of our further suggestions.

On Saturday evening a festive evening with live music by the Irish band which also performed at our Weekend 24 years ago. They will come over especially for this occasion!

On Sunday morning a walk through the neighboring nature reserve.

On Sunday afternoon a nice rideout (by route description / GPS) of about 130 km with a visit to a private historical (Moto Guzzi) motorbike collection.

On Sunday evening prizegiving with unique, handmade, prizes.

After that a campfire.

And furthermore:

Three wholesome dinners and three continental breakfasts.

Bunkhouse accommodation available (this must be booked in advance and please don't forget sheets and / or sleeping bag), but there is also a quiet camping ground.

Free coffee and tea the whole weekend over.

So loads of enjoyment can be had by all.

The prices for all this are as follows:

When using the bunkhouse: € 87,- per person.

When staying at the campsite: € 75,- per person

This is including 3 dinners and 3 breakfasts.

To ease the organization of the weekend for us, we would be pleased if a planned participation to our weekend is announced in advance (without engagement). If one wants to be sure of a bunkhouse reservation a pre-announcement is even more advisable because of the limited places.
